

Biography – Rahul Jayakar

Rahul Jayakar is an experienced banking professional having worked in large multinational and regional financial institutions in the UAE and India.

Rahul Jayakar was named by Global Finance in its list of Who's Who in Treasury & Cash Management Oct 2016. Global Finance stated 'The individuals that we honour in Global Finance's Who's Who in Treasury and Cash Management are those that have been recognized as best in their field by their peers and colleagues, and by our own Editorial Board. They are well equipped to successfully chart a course through these unknown waters.'

Currently, Rahul heads Mashreq's Global Transaction Services, products and Trade; he has primary accountability for developing the Bank's transaction banking business. Prior to the current role Rahul was responsible for the Mashreq's transaction banking business outside the UAE, in 11 countries and Financial Institutions.

Prior to Mashreq, Rahul was with Standard Chartered Bank (SCB), since 2005; his last role was senior Transaction Banker in Strategic Client Coverage Group, Wholesale Banking; where he covered top 5 Indian corporate groups globally for their transaction banking requirements.

Prior to SCB, Rahul has worked with private banks in India in wholesale banking in variety of roles in coverage, sales and products, which included, Relationship Management, Asset Distribution, Trade Finance, Supply Chain Finance & Cash management.

Rahul is a Bachelor of Science (Physics & Electronic) from National College (Mumbai University), India, completed MBA from Sydenham Institute of Management Studies (Mumbai University).
