

### **SALMAN MOHAMED AHMAD MOHAMED ALTUWHEEL**

A Law and Economics graduate, with 20 years of experience in government based legal affairs in the UAE, Salman has gained an extensive knowledge of the UAE laws and regulations. In his role as Senior advisor in Government and semi-government entities, has had the opportunity to work on various contract and high level transactions for the UAE Government.

Prior to joining Mahmood Hussain Advocates and Legal Consultancy, Salman has been employed by Nakheel for 7 years. In his capacity of Developer Relations Manager, he was assessing the risks related to development projects through all stages and constantly liaising with external authorities such as Trakhees, DEWA and RTA as may be required to expedite the work. He was also in charge of developing and implementing quality control programs but also monitoring construction sites to ensure their compliance with UAE construction procedures and regulations. Later, he joined the Legal Department of Nakheel, being involved in the full-cycle of corporate transactions.

Salman has also worked 12 years of Dubai Customs Authority. As a Senior Officer, he was carrying out supervisory responsibilities, assuring the adherence to safety policies and procedures, investigating accidents and finding ways to prevent their reoccurrence.
